## 7 questions to help you get started

Find out what makes you tick

### Method

Pick a number of questions that inspire you and try to answer them as honestly as possible. The answers will inspire your next step, whether in regard to your studies or your future career.

1. Imagine you are a talented writer. What types of subjects would you write books or articles about?
2. Imagine you are a film director and are asked to make three documentaries. What topics would the films be about?
3. Imagine you inherit €1 million from a distant relative on the condition that you start your own business. What kind of products or services would your company sell?
4. Imagine you are a teacher/trainer. What subjects would you teach?
5. Make a note of any interesting subjects you learned about in your free time, either through your hobbies, membership of a club, social media, reading books, newspapers and magazines, watching television, listening to the radio or your travels.
6. Imagine you were allowed to try someone else's job for a week. Who and what would you pick?  
People you picked: \_\_\_\_\_ Their field of work: \_\_\_\_\_
7. Imagine you could have dinner with a celebrity. Who would it be and why?
